

The background features a dark, textured surface with numerous small, bright white specks, resembling a starry night sky or a microscopic view. Overlaid on this are several broad, diagonal bands of varying shades of gray and white, creating a sense of depth and movement. A prominent, bright white starburst or lens flare effect is centered horizontally, radiating outwards and partially obscuring the diagonal bands.

UNITECH
united people - unique solutions

OVERVIEW

Founded in

Dec 2007

Vision

To become a leading outsourcing company in Vietnam
