L'expression personelle

CARPET & RUGS

A plethora of magnificent designs mastered over generations. Using the best raw-materials and contemporary processes, master craftsmen have infused a virtual renaissance into this centuries old art. Ensemble of tradition in every knot with a touch of elegance encapsulating the gamut of styles and rythmes in mulberry silk.

*A Serene ambience
of decor*

"Tree of Life" was originally commissioned by great Shah Abbas in 16th century. An ethereal conceptualization as it is, is still being reproduced faithfully by us in vibrating natural hues & pure mulberry silk.

Tree of Life in Silk

Ergonomically patterned, harmonious in colour combination and dextrously knotted 16th century "Bakhtiar" is a benchmark in the history of carpets. An auspicious symbol of synergetic fortune in silk.

Bakhtiar in Silk

The ecstasy of an old carpet defies every tag of price with the ensuing time and becomes invaluable & the only change it undergoes after 100 years is that it becomes an antique.

An old Isphan

Intricately crafted zari carpet embedded with precious stones contemplating fusion of traditional Indian and persian style to adorn the royal Grandeur...a fascinating master piece the generations will be proud to inherit.
