# ECO-FRIENDLY DRINKING STRAWS

Why should you choose our straws?

## Aesthetics + Sustainability

- ✓ **100% natural.** Eco-friendly and agricultural products.
- ✓ **Stronger than paper straws.** Our straws don't get soggy, so they'll last almost forever in your drink.
- ✓ **Softer than plastic straws.** With their natural structure, our straws feel soft and smooth while you drink.
- ✓ **Super compostable.** Plastics straws need industrial installations to biodegrade. Our straws just need nature.
