# Tulicorp S.A.

WE MAKE CHOCOLATE PRODUCTS, BASICALLY UNDER PRIVATE LABEL.  
TULICORP SEEKS IN FINLAND INTERMEDIARY FOR EXPORT TO FINLAND,  
SCANDINAVIA, THE BALTIC COUNTRIES, ST.PETERSBURG AND MOSCOW.

Tulicorp S.A., Guayaquil makes premium quality gourmet chocolate products for export since 2002. Our main markets are U.S.A., China, Chile, Italy, Germany, Holland. Now we are looking for market in Finland, Scandinavia and neighbor countries through Finland.

Tulicorp offers premium quality chocolate, reliability and delivery on time.

Fine or flavor beans, the top-quality varieties used in gourmet products because of their superior taste, account for only 5% of the world's cocoa production. About 60% of these fine cacao beans are grown in Ecuador.

Ecuador's native cocoa beans are known as Arriba. Arriba means "up river" and many cocoa plantations are located along the Guayas river, which flows towards the port of Guayaquil, Ecuador's largest city, the home of Tulicorp S.A.
