COMPANY PROFILE

About Us

Operating within a FREE ZONE, Mauri-China Freezone Development Ltd builds its success on its assets and a prime location for export oriented investments and trading activities, located only 5 km from Port-Louis Harbour, and linked to the rest of the world by a vast network of shipping lines, which regularly call at the most important African Ports.

Mauri-China is a single window concept and unique offer in Mauritius covering all logistical services under one roof, allowing our clients to generate efficiency and productivity profits by simply having only one place to go to find all the services that they require.

Vision

To become the premier logistical service provider in Mauritius and playing a pivotal role in the establishment of Mauritius as a world-class logistical hub for trade from Asia to the African continent and vice versa.

Mission Statement

To provide valuable services and information to our customers through expertise, professionalism and commitment.

Our Management team

After holding high responsibility positions in the different companies they have worked for, our management team comes geared with the knowledge, experience and poise needed to run a multi-faceted organisation like Mauri-China Freezone Development Limited.

GINO SEVERE - MANAGING DIRECTOR

With 25 years of experience in the field of shipping, freight, customs clearance, logistics and warehousing services, Gino brings to us the insight and poise that we need to run our company with confidence. Gino opened his first company more than 14 years ago and operated as a Freeport operator and over the years opened 3 more businesses. Mauri-China Freezone Development Limited is the only Freeport Developer in Mauritius with a single shareholder and this counts as one of the many achievements the hard work and dedication of Gino has produced over the years.

JOEL JOY PASCAL - BUSINESS DEVELOPMENT EXECUTIVE

Joel comes to us with 10 years of experience in the fields of sales, business development and project management respectively. Joel has worked as a Financial Advisor to small and medium sized businesses for a USA based company for 3 years, as a Business Development Manager for an information technology start-up with activities in Mauritius, the Indian Ocean and Africa, as a Sales & Marketing Executive for an Electrical and IT Systems Integrator and Distributor. Joel's rich experience with customers in various sectors allows us to better understand the needs of our clients so as to make sure our offers are tailored to meet their expectations and operational requirements.

FEIZAL YUSUF IBRAHIM - CHIEF FINANCIAL OFFICER

Feizal bring to us the insight and analytics required for us to manage our business with lean expenses without compromising on quality; on the other hand his excellent costing skills allow us to provide services to our clients at the prices that best meet their bottom line goals. His 20 years of experience is a great asset to our business and can be seen at work on a day-to-day basis.

KESHAV PUTTY - WAREHOUSE MANAGER

Keshav brings to us the supply chain management knowledge to allow us to provide services to our clients with confidence. A member of the Chartered Institute of Logistics and Transport, he has had the chance to prove his skills with 2 major companies before joining us.
