

COMPANY PROFILE
SABALINK TECHNOLOGIES CO. LTD

2019

About us

- Sabalink Technologies Co Ltd is an information technology (IT) services company providing full lifecycle services ranging from business analysis and IT consulting to Agile-based software development, implementation, and support with headquarters in Nairobi-Kenya.
- Sabalink serves small business, government, enterprise, indigenous, and non-profit markets across the country and the globe.
- With over 8 years in business, Sabalink has specialized in building websites and developing web-based systems.

Our values

- **Excellence** – We take the time to understand client business and needs. We educate our clients and team to help them understand “how and why”. We expect professional excellence from our team and we provide it to our clients.
- **Accountability** – We hold ourselves accountable to each other and to our clients. We take pride in our service and your success with our software.
- **Integrity** – We ask the best of ourselves and we deliver on our promises. Our estimates, representations, and contracts are honest and fair.
- **Longevity** – We work to create a company spirit between our staff and our clients, fostering trusted relationships over time. We are loyal to each other and to our clients
