If you are looking for cane furniture or basketware look no further than Habasco.

Habasco, originally founded in 1828, is still the most well known importer of cane furniture within the industry today. In these challenging times you need suppliers you can rely on and trust for quality product, which is why customers keep coming back to us.

Rattan is a renewable resource that can grow up to six metres a year. It grows in areas where other products cannot, and its harvesting does not affect the surrounding forest, thus making it environmentally friendly.

Alongside our cane furniture we have a range of outdoor furniture and have also re-introduced a stylish range of oak furniture to complement our offering.

Our cushions comply with all industry standards and are produced in the UK ensuring quality products yet again.

Habasco, together with Aimby and Helensgate is part of Pacific Lifestyle. The combined business operates from a purpose built 100,000 sq ft warehouse with offices and showroom facilities, providing a complementary lifestyle offering, across numerous product categories, providing you with a one-stop shop for home accessories.

The collection for 2012 is stronger than ever, with numerous new ranges designed in-house and sourced across the globe, providing innovative new products for everyone.

Look out for our other catalogues for 2012 showcasing product ranges in Outdoor Furniture, Lighting and Home Accessories, The Home Accessories catalogue includes, basket & storage solutions, glass, gift And wall art.

OUR  
PRODUCT

# IMAGINE DREAM

Enhance your outdoor and indoor space with a our teak root, wooden slab live edge, exotic wooden or even combining with special design that compliments your furniture.

Our experts have the solution you are looking for.

Giving a new life of teak wood waste to decorate up your living. Retained in its natural form, small dents and cracks give this imperfect piece perfect for a centerpiece decor on dining table or coffee table. Made of high quality materials which renders it strong and long lasting in use. It flaunts a warm finish that enhances the simple look and makes it ideal for complementing all interiors.

Candle Teak Wood

These gorgeous teak roots come from trees that were harvested for timber. Instead of discarding the root, we utilized it, creating the base of a beautiful candle. These lovely candles come with unscented soy wax, perfect for indoor or outdoor use. Just like every tree, these candles are unique and no two are alike. Candles delivered may not be the same ones as in image gallery.

# Stool

Natural teak roots add a touch of organic texture to spaces indoors or out. Each stool has unique character, with dramatic highs and lows in the finish. Over time, teak weathers and greys in the sun for a found feel. Safe for outdoor spaces — cover or store indoors during inclement weather and when not in use. Our Organic Live Edge Round Teak Stool End Table will make an elegant addition to any outdoor or indoor space.

# Coffee Table

These furnitures is made from the root of tree, product that would normally go to waste. Each piece is lovingly hand-crafted to create these unique, wonderful items. But, due to the nature of the root, the shape and appearance of each one will vary greatly, different the pictures are examples but the one you receive will be completely unique, with no two pieces looking the same. Beautifully hand-crafted solid teak coffee table from Java, Indonesia, where the largest teak plantation in the world located. Most noteworthy, the unique nature of the root means no two tables will ever look the same. Suitable for indoor and outdoor, these stunning coffee tables really are one of a kind.
