

## DECLARATION OF PERFORMANCE

---

### EFFI climate panels

#### 1. Unique Identification Code Of The Product Type

EFFI climate panels

#### 2. Type, Batch, or Serial Number, or Any Other Element

CP006, CP005, CP004, CP003, CP002, CP006W, CP005W, CP004W, CP003W, CP002W, CP006G, CP005G, CP004G, CP003G, CP002G, CR41.1 stainless steel, PF15S, JC170.

#### 3. Intended Use Or Uses

Buliding heating and cooling.

#### 4. Manufacturer

EFFI LLC, 15 Alchevskih str, 61002, Kharkiv, Ukraine

#### 5. System of Assessment

System 3

#### 6. Notified Body

ID #1428, WSP LAB,  
Kapuzinerweg 7, 70374,  
Stuttgart, Germany

## 7. Declared Performance

Essential Characteristics	Performance	Test Method
Rated Thermal Output	208,1 W/m at $\Delta T = 55 K$	EN 14037-3:2016
Surface Protection	NPD	
Resistance To Pressure	16,90 bar	EN 14037-1:2016, 5.8
Reaction To Fire	NPD Class A1	

## 8. Declaration

The performance of the product identified in points 1 and 2 is in conformity with the declared performance in point 7. This declaration is issued under the sole responsibility of the manufacturer identified in point 4.

Signed for and on behalf of the manufacturer by:

Alexandr Kryvulin  
Executive Director

Olena Syttseva  
Director
