Mount Everest Botanicals

"Together with Nature"

NATURE was man's first remedy to Lift the Mind,
Renew the Body & Heal the Heart

Founded in Nepal, Mount Everest Botanicals Pvt. Ltd. and its promoter have had a prolonged presence manufacturing fragrances and flavors with its base in Nepal. From cultivation to harvesting to production and packaging we are involved in the entire chain of bringing you the utmost quality of fragrance and flavors from all corners of Nepal which are organic in nature.

This is a company built on sustainability principles to promote health and wellbeing for our global future. Our founding pledge was to source and protect the world's finest medicinal and aromatic plants for maximum therapeutic value.

Vision

- ▶ United with a single vision of sharing Fragrance and Flavor gifted by nature to people worldwide

Mission

- ▶ To share the highest grade with absolute purity of fragrance and flavor from Nepal to people world over
- ▶ To work with sustainable framing and harvesting keeping in mind our motto of 'Together with Nature'
- ▶ To provide impoverished people involved in this sector with fair advantage
