GRUPOBPO
SERVICE COOPERATIVE

HR OUTSOURCING

OVERVIEW

Our founding team established Grupo BPO Service Cooperative to create a unique organization that goes beyond the limits of solving a variety of business problems. We envision to be the Philippines' leading and most diversified social enterprise in the BPO and diversified outsourcing industry.

As a social business enterprise, we capitalize first on our people and their potential to create a greater impact on our organization and to the community. This, we extend our distinct approach to help transform our clients' people engagement through our HR Outsourcing services.

WHAT WE DO

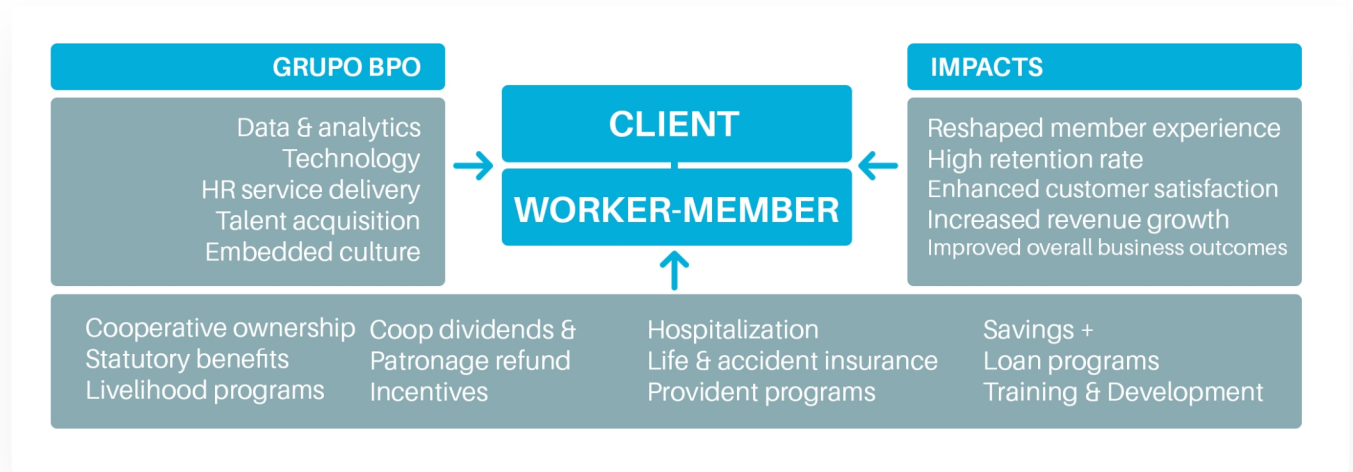

Most successful companies invest in shaping their organization with outstanding leaders and professionals because they drive value and develop new innovations. However, the battle to attract and retain top nowadays is becoming more competitive than ever. This needs an innovative HR strategy.

Grupo BPO provides talent and HR business process services to help our clients achieve success to new heights. We integrate our unique approach to people management with data, technology and our deep domain expertise to drive significant value to our clients' business organization.
