**VIRMENSKA**

NATURAL ROASTED AND GROUND COFFEE

Origin:  
Central America, East Africa, South-East Asia.

The degree of roast:  
medium roast American Roast.

Grinding: extra-fine.

Methods of preparing: French press, in jezve, brewing.

Coffee accompanies the Armenian people for centuries. Armenians are characterized by extraordinary hospitality and used to entertain guests with dishes and drinks of special preparation. Especially this is the case of coffee. Mystery of coffee in Armenian style lies in its extra-fine grinding. First beans were roasted to the poor carbonization and then they were ground by hand - only as follows they managed to achieve the desired effect. Extra-fine grinding creates a beverage with a unique aroma and gives it a special, sophisticated taste.

**"Kava zi Lvova VIRMENSKA"**  
(Coffee from Lviv ARMENIAN)

Strong, fragrant and rich blend of Arabica and Robusta. Its exceptional flavor properties are achieved through ultra-fine grinding of beans, which provides coffee "Virmenska" intense, silky taste and fine, balanced flavor.
